Kerala has won laurels for energy efficiency at the na-

tional level. The State stood second in the State Energy Efficiency Performance Award (Group 2) for 2023 scoring 77.5 points.

Andhra Pradesh, which scored 83.5 points, stood first in this group. Activities undertaken by Kerala for ensuring energy efficiency

in the farm sector, power supply, transport, industry and domestic sector were considered for the award. R. Harikumar, director,

Energy Management Centre, received the award from President Droupadi Murmu at a function held in New Delhi recently.
